Esperanza Shelter Inc. is an Equal Opportunity Employer.

Esperanza Shelter (www.esperanzashelter.org) has served Santa Fe County, The Eight Northern Pueblos and three Pueblos south of the City for over forty years. Esperanza opened its doors at a time when the concept of helping a woman leave an abusive situation was unique and contrary to domestic and religious cultural norms. The majority of the survivors that rely on Esperanza's services are still women and children, although some victims of abuse are men. Domestic abuse does not discriminate. Violence and other forms of abuse exist in intimate partner relationships across all socio-economic boundaries and within our LGBTQ community.

Today, Esperanza continues to provide secure shelter as well as prevention education, community outreach, advocacy, counseling, therapy, life skills and group support both in shelter and in nonresidential programs. Our court ordered Path to Peace program is also an important component of services. More than 90% of our participants who use violence either witnessed or experienced abuse as children. Through individual and group counseling, Esperanza helps these participants to stop the behaviors of power, coercion and control.
